

**ÖSTOL OLDTIMER OIL
SAE 90**

TECHNICAL INFORMATION

Östol Oldtimer Oil **SAE 90**

Description

Östol Oldtimer Oil SAE 90 is a mildly alloyed singlegrade gearbox oil based on mineral oil. The oil has good low temperature properties as well as a stable overheating behaviour.

Qualification: API-GL3

Summary of the advantages

-  Supportive leak tightness of gearbox
-  Stable lubrication, even in case of hot oil and high loads
-  Very good seal compatibility
-  Steady performance at any operating temperature
-  Gentle on materials, also for seals and paints
-  Very good non-ferrous metal compatibility
